

ENTERING THE LABYRINTH OF INEXACT COMPUTER SCIENCE: A CYBER PHYSICAL APPROACH

The IEEE Circuits & Systems/Control Society (CAS-CS), Delhi Chapter organized a lecture series at IIT Delhi, Hauz Khaz on 16 October 2014. 9 students attended the event. During the event, Dr. Radu Marculescu discussed about the actual behaviour of bacteria in computer domain and emphasised on entering the labyrinth of inexact computer science i.e. a cyber-physical approach.
