

IBM CLOUD INNOVATION FORUM

IBM Cloud Innovation Forum organized a seminar on 21 August 2014 at The Leela Ambiance Hotel, Gurgaon to discuss the idea "Cloud as a growth engine for business" and cloud solutions offered by IBM (International Business Machine). Mr. Niraj Kumar, Asst. Professor attended the seminar. The focus of the seminar was on "how cloud is changing the way work is done ... and how it is delivered" and cloud solutions that IBM is providing for their clients.
