

## WRITING A QUALITY TECHNICAL PAPER AND WHERE TO PUBLISH WITHIN IEEE

15 students attended a seminar on How to write Quality Technical Paper and where to publish within IEEE on 9 August 2014 at IIT Delhi. Mr. Saifur Rahman, Director of Advanced Research Institute gave a brief introduction about the IEEE committee and discussed how to write technical papers. He also gave many important points that would be useful for upcoming authors. The workshop was very useful and was a motivation to young minds.
