

**RECENT TRENDS AND TECHNOLOGIES & PLACEMENT OPPURTUNITIES BY
WEBSWASTECH**

A guest lecture was organized on 10 September 2014 which involved eminent industry as well as placement experts from Webswastech Pvt. Ltd, Faridabad. The lecture was organized to make the students familiar with the corporate world and the challenges they will be going through followed by a session how to crack an interview as well as they are interested to make a cell for in house consultancy for projects and placements and training.
